

CRACK THE EGG

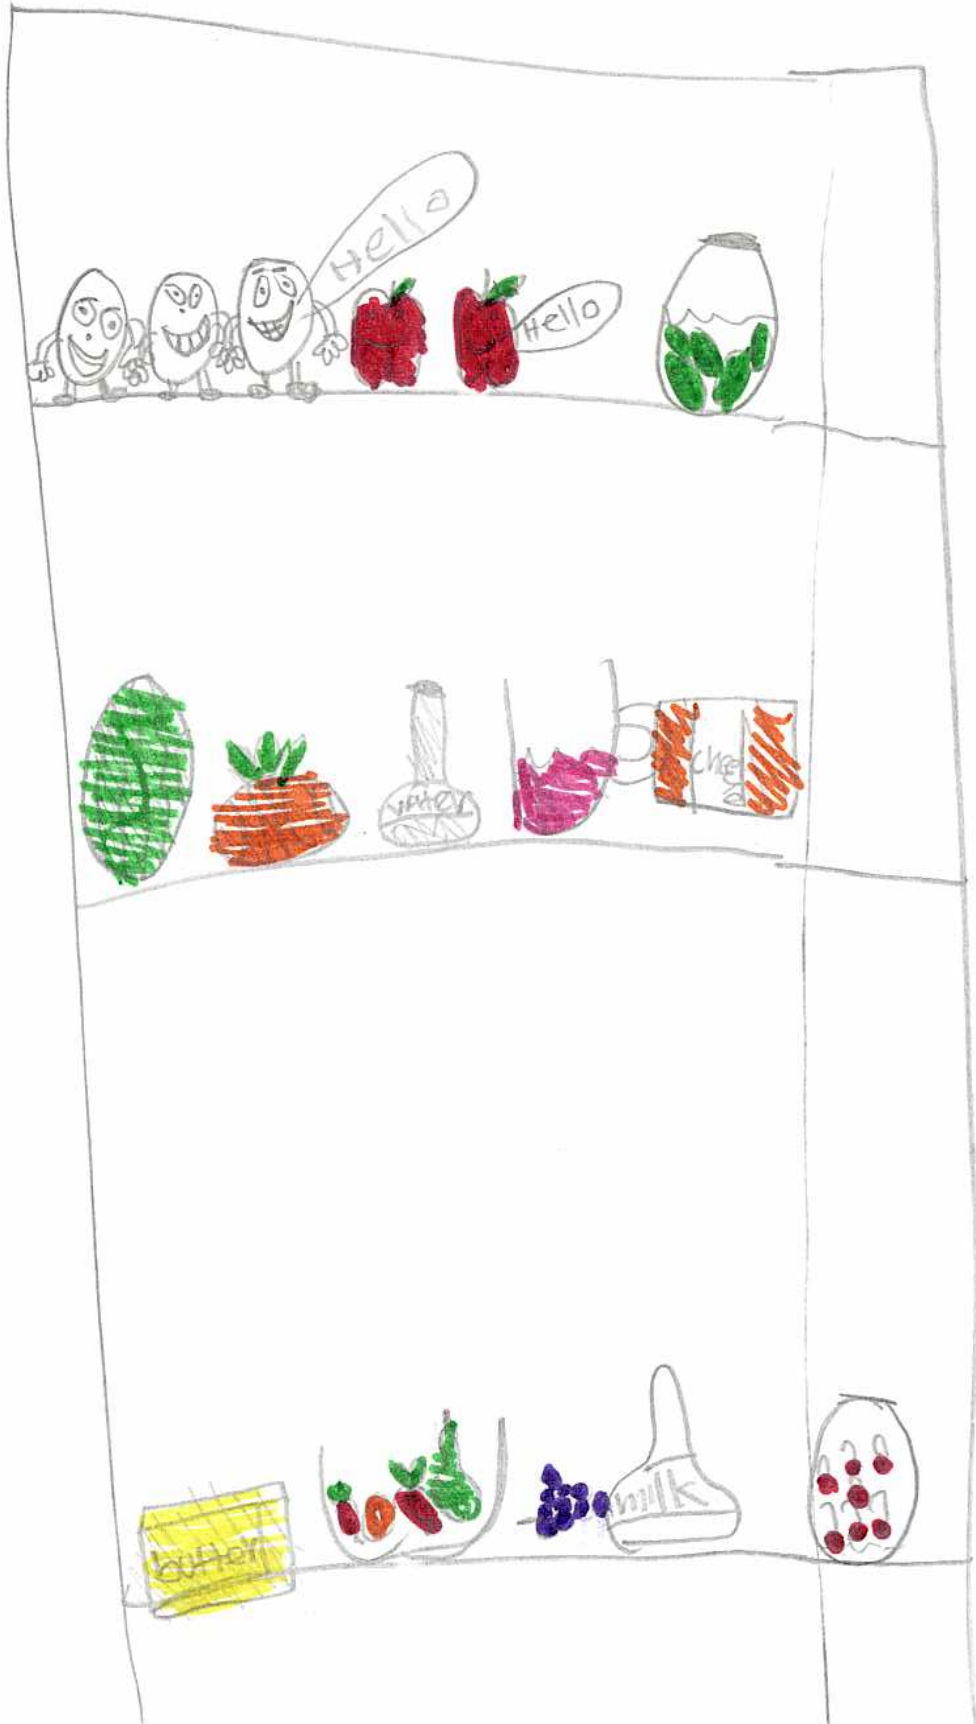

by: Megan Johnson

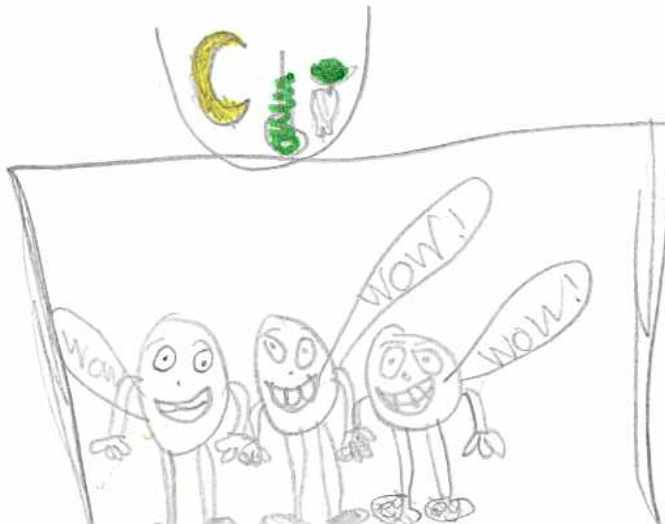

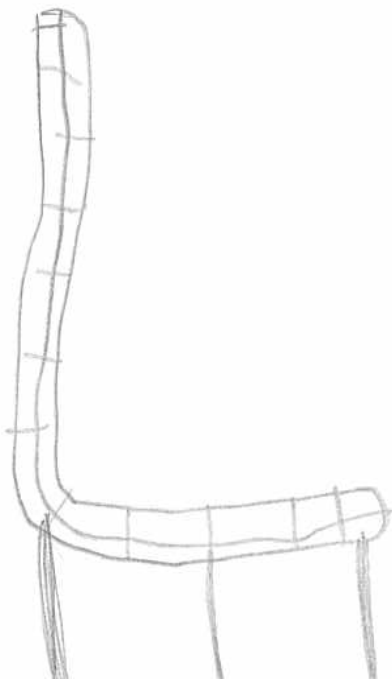

Once upon a time there were three little eggs they were best friends. they lived in a very cold place called the fridge.

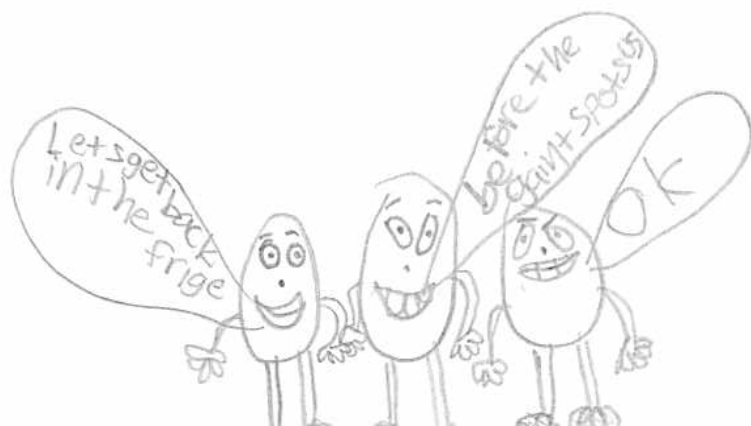

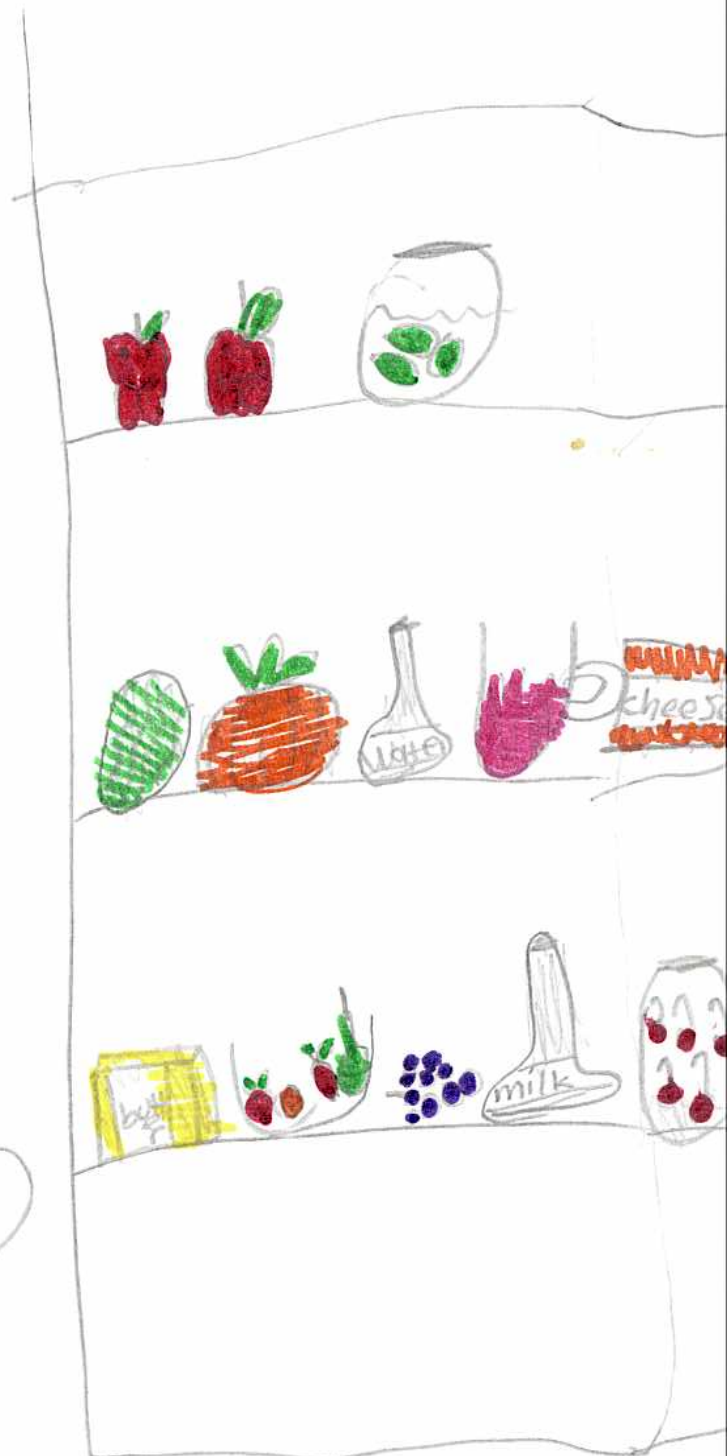

They have two friends in the fridge. there names are fred and ted they like apples. Hello said ted to one of the eggs Hello said the egg.

one day the fridge was left open. all of the
eggs went out to explore its amazing
said the eggs.

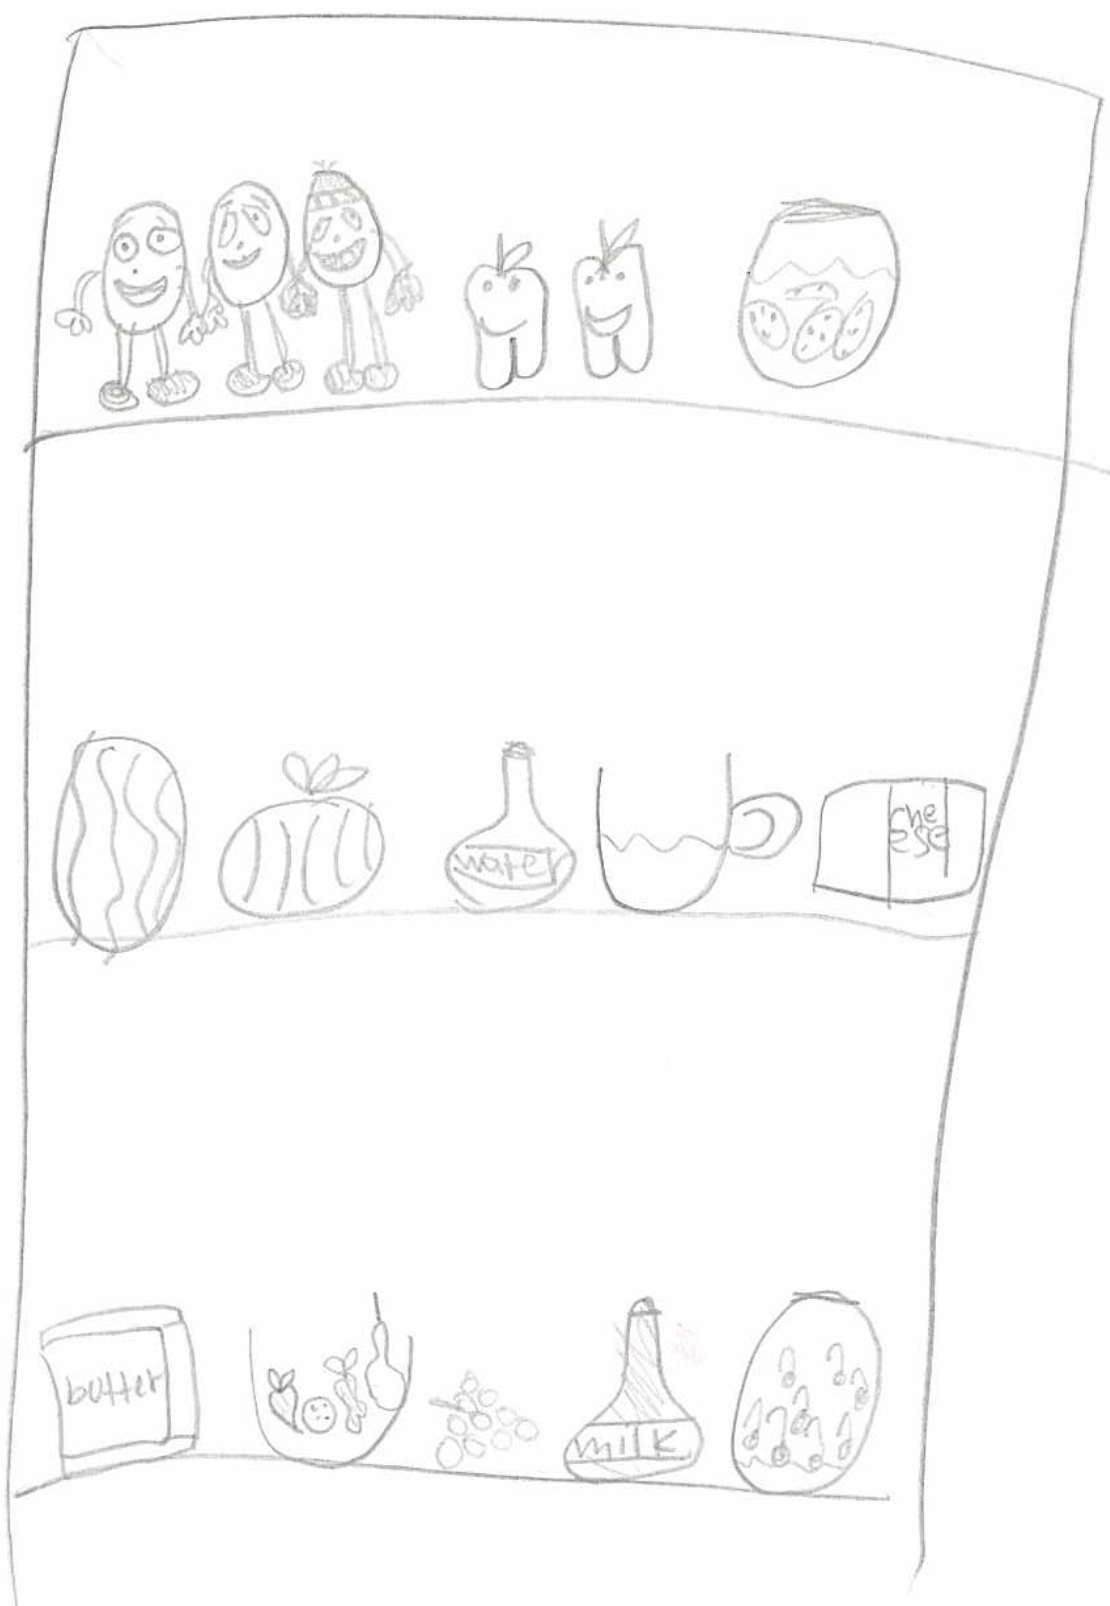

Lets get back in the fridge Said one
of the eggs before the gaint Spots US. Said
unother egg. OK Said the last egg.

On no the giant got one of my best
friends said the egg she took egg two said
the other egg. The giant took him for
a cake.

One day the gaint bought one more egg
and now he was are new freind he looked
realy cool he had a hat I wish I
could have a hat Said egg one

but the cake looked fary Preety
it was so Preet that egg one wanted to eat
it.

The End
